Now you can be the TV director, producer, set designer and artist of your favorite NBC television shows!

Use your own imagination... apply make-up... design costumes... color studio sets... and have fun!

A message for Mom and Dad—

We are pleased to provide your youngster with the original TV Coloring Book in the hope it will provide some enjoyable pastime.

We hope, too, that you are getting the best possible enjoyment from your television set. But, should you have some receiver require the attention of an expert service technician we invite you to phone us. All necessary service work will be performed by a fully qualified and competent TV technician—using reliable test equipment and top-quality RCA Tubes to restore your set to top-performing condition.
